ride

Travel in or on a vehicle. This passenger is riding on a bus.

drive

To control a moving road vehicle.

steer

Control the direction a vehicle travels.

stop

To finish moving and stay still.

turn

To change the direction you are facing or moving.

reverse

To move backwards.

park

Bring a vehicle to a stop in a place where it can stay.

get on

Move from the pavement up into a stopped bus.

get off

Leave a vehicle after it has stopped.

load

To put things into or onto a vehicle for carrying.

unload

To take carried things off or out of a vehicle.

take off

To leave the ground and begin flying.

land

To return to the ground or another landing surface from flight.

float

Stay at the surface of water. You can see this boat floating at the waterline.
